## HOW TO PLAY:

1. Find a fellow staff member and ask him/her to pick an adjective on the top flaps. 2. Moving the flaps in and out and side to side in time with the letters, spell out that word. 3. Stop on the last letter with the Boredom Buster open to reveal the numbers and ask your partner to pick one. Count out the number by moving the flaps in and out and side to side. Ask them to select another number and count it out in the same manner. 4. Ask your partner to pick a third number and open that flap to reveal their "yearbook future."
