## DAYS AND NIGHTS

TO BE SUNG TO THE TUNE OF "MY FAVORITE THINGS"

Picas and margins and photos on pages  
Captions and stories and emotion-filled faces  
So many memories wrapped up so tight  
This describes some of our staff days and nights.

Early-sent deadlines and staff parties after  
Working together with lots of staff laughter  
Selling the yearbook and more sales in sight  
This describes some of our staff days and nights.

Get winter photos and players' reactions,  
Events in the town and the seasons' attractions  
Capturing coverage with all of our might  
This describes some of our staff days and nights.

When the stress hits, when it's crunch time  
When the coffee runs out..  
We still get it done at the drop of a dime  
And then there remains no doubt!
