We are all the same and we are all different
We are animated
We are Brentwood
We are blue
We are connected
We are family
We are in the know
We are in the middle
We are IN the middle (RobINson Middle)

We are not
We are not mainstream
We are one
We are... RU
We are rock solid
We are (school)
We are Spartans
We are TR
We are the "ones"
We are the Wildcats
We are who we R
We believe
We believe in you
We bleed orange and black
We bring good things to life
We build Titans
We built this city
We came • we saw • we conquered
We can
We can and we will
We can make it anywhere
We can't
We conquered the year
We couldn't make up these stories if we tried
We count
We cycle
We dare you to stand out
We deliver
We demand respect
We did the impossible
We didn't think so
We do it better
We don't do average
We don't fit the mold; we break it
We faced it together
We get the point
We got it going on
We got this
We had a plan
We have an app for that
We have arrived
We have it all... and then some
We have what it takes
We hear you
We hold these truths...
We insist
We kid you not

We kept an open mind
We know
We know a thing or two
We know Jack
We know something you don't know
We know who we are
We lead; others follow
We like it this way
We live now
We made it
We make it work
We make looking good easy
We make the difference
We matter
We/me
We, not me
We notice everything
We provide the story
We R ready to B the future
We rock
We rule
We say today
We speak Pirate
We stand out
We stand together
We strive to be...
We survived
We told ya
We wear the crown
We were here
We will
We will always remember
We will rock you
We woke up early for this?
We won't go quietly
We wrote the book
We'll keep it brief
We'll see about that
We'll show you
We'll show you how it's done
We R so much more
We're all in this together
We're all for that
We're all that
We're always moving forward
We're Bells... they're not!
We're better than you

We're cool like that
We're done
We're fly like that
We're getting hotter
We're going wild
We're here for the quest
We're here to...
We're INdependence
We're just getting started\
[[We're kind of a big deal
We're not gonna lie
We're not what you'd expect
We're nothing without you
We're on a mission
We're on a roll
We're on a (Roll Tide) roll
We're on the map
We're over it
We're packed and ready to go
We're ready
We're seeing stars
We're something more
We're still flying high
We're still standing
We're still the same
We're the we
We're the ones
We're turning some heads
We're worth watching
We've been there
We've caught your eye
We've completely flipped
We've got a good thing going
We've got a line on you
We've got a story to be told
We've got Falcon spirit
We've got it all
We've got it down
We've got sole
We've got something to be cocky about
We've got style
We've got the beat

You added the color
You ain't seen nuthin' yet
You are here
You are...
You be the judge
You belong
You built the house; we made it home
You can
You can be
You can bet on it
You can count on it
You can get there from here
You can quote me on that
You can quote us on that
You can read us like a book
You can say that again
You can't ask for anything more

You can't believe everything you hear
You can't help but notice
You can't judge a book by its cover
You can't take it with you
You can't stop the reign
You captured through the lens
You complete the puzzle
You decide
You do the math
You don't know the half of it
You don't know the other half
You don't say
You don't want to miss this
Your dream it • we bring it
You gotta
You gotta dig deep
You gotta love it!
You had to be there
You have to ask
You hold the key
You in review
You know different
You know it
You know we got this
You made it happen
You make it
You make it real
You make the call
You make the connection
You make this happen
You • me • us

You only have 180 days...
You Only Live Once (YOLO)
You oughta know
You provide the color
You R here
You said it
You say you want a revolution
You see this. This doesn't just happen.
You see • we see
You should be in pictures
You tell me
You think you know... but you have no idea
You want it?
You were there
You win some you lose some

You wish
You won't believe what we're doing
You would
You wouldn't believe
You wouldn't dare
You wouldn't know
You. Captured.
You'll never forget
You're a part of this
You're about to find out
You're gonna miss this
You're history
You're in it!
You're invited
You'll laugh at this
You're not going to believe this, but...
You're right
You're the key
You've got mail
You've got people
