

PHOTO SELECTION GUIDE

Collect and choose photos to go on your spread. When finished, share with a classmate for feedback.

- Candid only.
- Obvious center of interest.
- Action faces the gutter.
- No faces partially cropped out. Watch cropping of arms and legs.
- Dead space is eliminated unless vital to visual impact.
- Distractions from center of interest are avoided.
- Includes variety of subjects and activities.
- Photos reflect diversity in age, grade level, gender and ethnicity.
- In sports photography, keep the ball in the frame when important to the action.
- Well focused, good contrast and proper levels used.
