

WE NEED YOUR HELP

STUDENT NAME _____

GRADE _____ TEACHER _____

Dear Faculty Member,

As students start planning their schedules, I could use your help. If you know a student who might be a great addition to the yearbook staff, could you write his or her name on this card and put it in my mailbox? We're looking for writers, designers, computer experts and just hard workers. Yearbook could be the class where they find their passion.

Thank you!
