MONDAY, OCT. 3: WHY WE YEARBOOK

TAKE THE PLEDGE: Before class starts, go to herff.ly/coverage-pledge and print the "Every Student" pledge sheet for each staffer. Compare the permanence of the work you are doing for the yearbook with the fleeting nature of social media. Emphasize the importance of fairness and accuracy in reporting. Hang the completed pledge sheets inside or outside your room as a visible reminder of the responsibility staffers have to their classmates to record this year. Create a TikTok or social media post of your staffers telling us why they yearbook or show us where your "Every Student" pledges are posted in your classroom.

Possible words to include in your post: During National Yearbook week, we're proud yearbook staffers and have an important responsibility for our school. This is why we yearbook. **@HJyearbook #HJybweek #JustWatchUsYBK**

TUESDAY, OCT. 4: STORYTELLERS IN ACTION

TELL IT: Start the day by reposting today's badge: "Every student deserves to be remembered." Tag us and use the hashtag **#HJybweek**. Take pictures or create a TikTok of your staffers interviewing students or working on spreads. Another idea is to show us your staff at work covering an event or shooting candid. Celebrate the hard work your team does to make a spread come together.

Possible words to include in your post: Our staff strives to include every student because we all have stories to tell. **@HJyearbook #HJybweek #JustWatchUsYBK**
