

ADVISER ASSISTANCE

YBK ALL DAY

Here we go!

Ready or not, it's time to get started on the yearbook. We know everyone's schedules may be a bit different, but we hope these emails will help you start the year strong and support you with helpful information throughout the year. *Let's do this!*

Learn and teach YBK

We're excited to share our NEW Welcome to YBK student workbook. You can see a [sample here](#). Chat with your local rep or let us know if you're interested by completing [this survey](#).

[LearnYBK.com](#) is your home to all things learning and teaching yearbook. We're actively updating the site with new resources, so we recommend giving it a visit every now and then.

Embrace a to-do list

We love being able to check things off a to-do list. [Our checklists](#) are also broken into three levels of difficulty so you can tackle what you're able to. Think of these as suggestions, not absolutes.

New Advisers: this one's for you

If you're totally new to yearbook, we suggest you first start the year by reading your [YBK Essentials booklet](#) found in your kit. You can find the [downloadable versions](#) of almost every piece in the kit here. Not sure what a kit is or where it could be? Give your CSA or local rep a chat!

Keep in mind: As you review the Herff Jones resources, you'll find we have so many options at your fingertips. Don't try to do it all! Decide what works best for you and your students, then incorporate bits and pieces as you wish.

EXTRA REMINDER: PORTFOLIO

Hey, summer- and fall-delivery books! Don't forget to submit your 2023 yearbook for *Portfolio*, our "best-of" Herff Jones publication. [Complete the form](#) and have your book delivered to HJ YBK HQ by **Sept. 30**.

Need to rewind? All previous [Adviser Assistance emails](#) are available on their own page.
