YBK ALL DAY

## Staying in style

Tired of switching every font and color when you need to make a design change? eDesign Style Wizard can make these changes for you! Keep in mind that Style Wizard only affects text, shapes and elements created in eDesign — not artwork, images or graphics made elsewhere.

### ADD MAGIC TO BOOK STYLES

Love one of the Book Styles from the eDesign Catalog but want to switch the colors? Activate the templates, head to Style Wizard and make some magic! The current Book Styles that work best with the Wizard are Banner, Biography, Journey, Rewind, So Bold and We Are. Check out [this video](#) for using Style Wizard while in the Templates library.

### QUICK SWITCHES

Did your design editor last minute decide to change your royal blue to navy blue? It happens. Luckily, the Wizard can work its magic with up to 50 spreads to change those blues out.

And the same goes for fonts! If you decide to switch from AHJ Antique Olive Bold to AHJ Chantilly Bold, you can use the Wizard to make the switch on pages you've already been working on.

### ALWAYS DO A DOUBLE-CHECK

While we love the power behind Style Wizard, you will want to do a follow-up on your spreads to ensure that all of your text fits properly in the text boxes, all elements are placed correctly and your PDF proofs are perfect before you move forward with submission. Here's [a reminder](#) on how to run your PDFs.

## SEE YOU THERE?!

We'll be hosting demos of **Style Wizard** at the National High School Journalism Convention in Boston, MA, on Nov. 2-3. Stop by the HJ YBK Booth for NEW flair and bags, plus students can participate in a Booth Scavenger Hunt and prize wheel!
