Check it. Send it.

Get those pages out the door with the confidence that they're edited, proofed — and dare we say, perfect.

Here are our top catches using this [Common Errors checklist](#):

- ✓ We've carefully proofed the PDF for this page, and what we see on that PDF is what we want to print.
- ✓ Any DPI warnings? Make the photo smaller or replace it with a higher resolution photo. Always check your high-resolution PDF.
- ✓ Copy has been proofed word by word. Red underlines have been checked. We checked attributed quotes for appropriateness.

Use these [monthly and content checklists](#) as January wraps up.
