

**YBK ALL DAY**

## It's the month of LOVE

Hello, February! Are you feeling the love yet?! If not, we're here to share some solutions to things that may be on your mind and bring the yearbook love back into the classroom.

**Feeling worried about missed coverage?** Talk to your rep about a quick-turn supplement. With its two-to-three-week turnaround, you have a bit more time to include things like spring sports, prom and graduation. P.S. You can [export your eDesign](#) fonts, colors and templates so you won't have to start from scratch!

**Extra copies left to sell?** Send and Sell can be your best friend. Make sure your name list is loaded, adjust your send list to those who haven't purchased yet and choose a template. Head back to [this email](#) for more sales pro tips.

**Need something to look forward to?** Dream up the Best. Day. Ever. It may seem a long way off, but planning for distribution day is something the entire staff can look forward to. [Check out these resources](#) as you start prepping for our favorite day of the year.

### SO EASY IT'S MAGIC!

**Ready for a new eDesign feature?** Your wish is our command. You've met Style Wizard, but the magic doesn't stop there. Coming soon to eDesign is our new friend: **Collage Wizard**.

You'll be able to quickly generate collage layouts from your photo library by choosing from hundreds (yes hundreds!!) of layouts and styles to suit your preferences. [Get a sneak peek of Collage Wizard in action.](#)

Stay tuned for other exciting news and releases as we celebrate this month of so much yearbook love!
