

PRIVACY INFORMATION

Varsity Yearbook adheres to a robust privacy policy which is always accessible at the bottom of every web page we publish. Here's a link to that privacy policy.

If you are the parent or guardian of a student enrolled in a public school in the United States, you have rights provided to you by the Family Educational Rights and Privacy Act (FERPA). If you are a Canadian citizen, you have rights outlined in The Personal Information Protection and Electronics Document Act (PIPEDA).

Each email we send includes a link to the Varsity Brands **privacy policy**, as well as a link to unsubscribe at the bottom of the email. Clicking the unsubscribe link will remove the recipient's email from all Varsity Yearbook messages for the remainder of the school year. Those messages include Adviser Assistance emails and any email regarding book sales, ad sales or other promotions from Varsity Yearbook.

If you have any additional questions, please contact your Varsity Yearbook representative.
