VARSITY YEARBOOK

Get ready to be inspired

Portfolio is our annual celebration of standout yearbooks — designed and printed by Varsity Yearbook. The latest volume highlights exceptional work from the 2023-2024 school year, and this year's book may be our most impressive yet.

More schools, more inspiration.

Featuring more than 600 schools across 352 pages — you'll find more 2,100 examples of yearbooks on the online gallery. Use these as inspiration for next year's yearbook as you begin planning.

The yearbook of all yearbooks.

From the quarterbound cover with blind debossing, holographic foil and copper metallic ink details to the bold endsheets with gloss UV, metallic ink and foil — this 352-page book pulls out all the stops. *And the two custom tip-ins?* They feature a copper metallic ink that makes the photo galleries pop even more.
